The screenshot shows a web browser window with the URL microsoft.com/en-gb/microsoft-365/microsoft-teams/download-app. The navigation bar includes links for Microsoft, Microsoft 365, Microsoft Teams, Plans and pricing, Features, Resources, and Download Teams (circled in red). The main heading is "Download Microsoft Teams" with the subtext "Connect and collaborate with anyone from anywhere on Teams." Below this are two buttons: "Download for desktop" and "Download for mobile". A red arrow points from the "Download Teams" link to the "Download for mobile" button. On the right, there are images of a tablet and a smartphone displaying the Teams app interface.
