Assignment brief

Unit title	Career Planning for the Public Services
Assessor name	GXW
Date issued	26 Jun 18
Hand in deadline	4 Sep 18

Task 1	Entry requirements for Public Service Careers
Purpose of this assignment	
<p>There are more people employed in the public service sector in this country than in any other sector, and although such services may be liable to public spending cuts, these services will always be required.</p> <p>Anyone who applies for a job in the public services will almost certainly face stiff competition from other applicants. The recruitment and selection process for most public service jobs is usually quite a lengthy one. It is important that applicants are fully prepared before applying for a job and this unit will help them to achieve this.</p>	
Scenario	
<p>Working with the careers officer in a public service organisation you have been asked to prepare a presentation supported by information handouts for a careers exhibition at a local school.</p> <p>You are required to produce a presentation¹ detailing the entry requirements for 2 contrasting² UPS organisations. You must also include the application and selection processes for these 2 organisations. You must select a particular trade or branch of the organisation and look specifically at the requirements for those jobs.</p> <p style="text-align: right;">This provides evidence for P1, P2</p>	

¹ If you use PowerPoint please read the 'presentation top-tips' document in the transitions folder.

² Ensure your services are contrasting: If you choose one of the Armed services, you cannot use another Armed Service, because their overall role is similar.

Task 2	Skills and Personal Qualities required for Public Service Careers
Scenario	
Working with the careers officer in a public service organisation, you have been asked to prepare information for a year 9 careers exhibition.	
Choose any job/role within a public service. Then design and produce a detailed handout that will be used at a careers exhibition in a local school. Your handout should identify the skills and qualities required for your chosen public service role.	
This provides evidence for [P3]	

Task 3	Public Service Careers - Personal Skills Audit
Scenario	
You have recently started your public service course and have been selected to attend a practice selection interview ³ at RAF Cranwell. In preparation for the interview you will need to complete a skills audit, to make sure you have the necessary skills, qualities and attributes required for the job.	
Identify a role in the RAF that you would like to undertake. Evaluate your own skills against those required by the RAF. You need to undertake a personal skills audit ⁴ , which will identify, analyse and evaluate your skills and personal qualities against your chosen role. Your audit should clearly identify your strengths, weaknesses and highlight any areas for development.	
This provides evidence for [P4, M1, D1]	

Evidence checklist	Tick when Complete
A detailed presentation, with speaker notes and supporting handouts, that details the entry requirements and the application and selection processes for two public service organisations.	
A detailed handout that identifies the skills and qualities required for your chosen public service role.	
A skills audit, which will examine, identify and evaluate your skills and personal qualities, including areas of strength and weaknesses and any areas for development.	

³ This will happen during your first year so keep a copy handy!

⁴ An example of a skills audit is on the website with the public service transition packs.
